Two bits of land with the buildings thereon are proposed to be acquired and added on to the Hostel one from the jail for which no compensation has to be paid but fresh buildings have to be got up instead The I Gl of Prisons has to be consulted, & the cost of fresh buildings has to be ascertained from the P W D and a grant for it made by Govt The other from private parties who have to be paid a compensation of about ten thousand To enable this payment

being made, a special grant from Govt is necessary"

From

Genl & Rev Departments

Sir,

I have the honor to call the urgent attention of the Govern ent to the necessity, for the safety of our Central College tudents, especially of those who will be residents in the near uture in the newly established Hostel, of acquiring the site f a portion ~~of~~ at least of the very unsightly and unwholesome hatram, which adjoins the Hostel

This morning I paid a visit with the Executive Engineer to his Chatram and found that on the other side of the mud wall, hich separates the Chatram from the Hostel compound, there are our or five small huts which cannot be called houses, in which here have been plague cases recently, as they are marked disin- ected only three days ago

It is a serious danger, and disgrace to the fine buildings bout to be occupied by students, that such insanitary hovels should be permitted to continue, and I should imagine that the Government can obtain possession of this site by application of the Land Acquisition Act, as the purpose for which it is required is a public one of the highest importance

Docket No 1087 Fd 293 of the 4th January 1901 from the Secretary to the Govt of Mysore in the Revenue and General Departments to the Deputy Commissioner of the Bangalore District forwarding for necessary enquiry copy of the Bangalore Central College Principal's letter No 270 of the 16th December 1900 suggesting the necessity of adding to the compound of the Students' Hostel recently constructed

---

The Principal of the College, the Executive Engineer of the Bangalore District and the Deputy Commissioner of the Bangalore District met at the said Hostel and discussed this matter They agreed in thinking that the piece of ground belonging to the Central ~~Gaol~~ Jail garden but separated from it by a wall and situated to the west of the Hostel should be added to the Hostel as it is necessary to extend its compound They are of opinion that this transfer will not in any way interfere with the Jail Garden proper, as it is not used by the Jail Authorities There are two buildings on that piece of ground viz, the Jail Hospital Assistant's Quarters and the Jail Store room They are not very valuable, and the Hospital Assistant's Quarters are of Katcha construction Fresh buildings may easily be built elsewhere in the Jail compound The existing ones will be of great use for the purposes of the Hostel one for the Manager and the other as servants' Quarters, or in case of sickness among the students when segregation may be necessary and yet a transfer to the General Hospital undesirable This piece of ground is marked A B C D on the accompanying plan

The three bits of land to the south of the Hostel marked E G H, B F I C and I C K L, should also be acquired for the Hostel The first two pieces belong to Nicketty Chatram They are mostly unbuilt with only three sets of stone mantaps, an inferior workshop (not in use) and two wells The third piece

H G Y L belongs to Govindappa s Chatram "hat also contains some stone mantaps of inferior construction and a few "Katcha" built huts,

3 Whereas nothing has to be paid for the piece to be taken from the Jail garden, not much will have to be paid for the three pieces to be acquired from private individuals ost probably Rs 5000/- for land and Rs 5000/- for buildings c , will suffice to acquire them The acquisition of this ground would provide for the Quarters to be built for the Superintendent of the Hostel, as well as for the Library and Reading Room which the Principal has represented to Government the urgent necessity of It would in addition remove an eyesore at the entrance to the Pettah, and a constant centre of infectious diseases in proximity to the College and Hostel

4 The said members are of unanimous opinion that the said additions are absolutely necessary

Sir,

With reference to your Office Docket No 9468 Ed 336 dated 29th Ultimo, I have the honor to enclose herewith copy of letter No 824 dated 9th Instant, from the Superintendent, Central Jail, Bangalore, recording his opinion regarding the portion of land asked for in the extract from a joint Memo dated 14th Instant drawn up by the Deputy Commissioner, Bangalore District, the Principal, Central College, Bangalore, and the Executive Engineer, Bangalore District, for the use of the Students Hostel on reply I have the honor to state that I fully concur with the Superintendent

The piece of land now occupied by the Students Hostel was given by me as Inspector General of Prisons to the Education Department, for the purpose of building a Students Hostel and at the time it was given I was under the impression that it would meet all the requirements of that Institution It is absolutel necessary that a Hospital Assistant should reside on the premises of the Jail at no great distance ~~From~~ it, as his services may be urgentl, required at any time and there is no other place where his Quarters could well be located as steps are already being taken for housing the Jail warders as well as the warders attached to the Asylum, in the precincts of the Jail garden and consequently the site which might had this step not been taken

have

have been available no longer exists Moreover if the portion o land applied for were given to the Students Hostel it would ver ~~naturally~~ materially encroach upon the Jail itself as it is the southern entrance to the Jail is rendered very inaccessible and it is not desirable in the interest of the Jail to shut it in any more

Sir,

In reply to your o 1128/Ed 7 42-96 dated 26th February 1900, enclosing copy of letter No 511/J dated 14th February 1901, from the Inspector General of Prisons in Mysore, stating that the Inspector General of Prisons concurs with the Superintendent of the Central Jail in thinking that the additional piece of land asked for at the back of the Hostel compound cannot be spared and enquiring if the acquisition of a portion of the Chatram alone would suffice for the purposes of the Hostel, I have the honor to submit that it is absolutely necessary that the Superintendent and Manager of the Hostel should be living on the premises, as the discipline and medical care of a large body of students from the better classes of the community ought to be as well provided for, as the supervision and medical care of a number of prisoners As a mere temporary arrangement, I am allowing the Manager to occupy with his family a small portion of the Griffin rooms belonging to the College, which are across the road from the Hostel and the present Superintendent is one of the College Staff who lives, I regret to say, at some distance from the College Hostel, but, for whom we have no provision at all

The acquisition of the Chatram is necessary quite as much as for the elimination of a dangerous nuisance, which ought not to be tolerated in the immediate vicinity of a large Students' Hostel as for providing a site for the houses of the Superintendent and Manager, as well as for the site of the Library and Reading Room, which I have some time ago proposed and which we

urgently require

owever, it will be [illegible] re t loon if in the irst place the Chatram is swept away

As I suppos it is too much to hope for th transfer of th Jail itself to another localit ot in earl date, though this I believe h s bee seriously considered before now, there is no other course left than to p ovide for qu rters for the Superin- erdent and [illegible] er on the ite of th Ch tr m after it h s bee acquired

To The Secretary to the Government of My. in the General and Revenue Department

Bangalore

Sir

With reference to your docket No 11958/97 to 4/96 dated the 9th March 1901, I have the honour to inform you that it is not possible to suggest re-appropriations of the provisions in the Educational Budget of the current year in order to spare Rs 10, or any portion of that sum for the purpose of acquiring the site of Chatram. The provisions made in the Budget have so nearly been calculated almost to a pie for

Sir,

With reference to the conjoint representation from the Deputy Commissioner, Executive Engineer, and myself as to the urgent necessity of acquiring the plot of land adjoining the Hostel compound in order to provide a site for the Superintendent's quarters as well as to safeguard the students of the Hostel from the risk of infection from plague, cholera, or other diseases that may at any time be present in the hovels of that quarter, I have the honor to forward a report from the Officiating Senior Surgeon and Sanitary Commissioner based on a visit which he made to the place on the 25th September last

I trust that the Government may be influenced by the strong term in which he condemns the insanitary condition of the place I have also to point out that it seems it is not a regular chatram but a mere cart stand with a collection of hovels inside the enclosure

I consider it most undesirable that such an institution should be permitted to exist at all in such a condition, not to mention its existence next door to a student's residence
